

OFFICE OF THE COUNTY AUDITOR ANNE ARUNDEL COUNTY MARYLAND

LEGISLATIVE IT AUDIT MANAGER

The Office of the County Auditor for Anne Arundel County, Maryland is looking for an advanced and highly experienced and independent information technology (IT) auditor. This position's duties and responsibilities will include:

- Establishing IT audit strategies, program and reporting standards for the Office of the County Auditor;
- Performing audits of the County's IT general controls and security controls, and performing application control reviews and testing as a part of financial and performance audits or reviews of programs within the County;
- Obtaining data from County systems, and performing data analysis using audit software, such as ACL or IDEA, for audits and reviews as well as legislation reviews, including the review of the County's budget.

Anne Arundel County has a great benefits package including leave, health insurance, and retirement benefits. With the exception of extra hours worked during the review of the County budget, overtime is minimal. Additional information regarding the duties and responsibilities, benefits, and salary range for this position can be found at <https://www.aacounty.org/departments/personnel/employment-information/job-announcements>. It was posted with a close date of 11/12/19, but we are requesting this close date be extended to 11/30/19. Are you ready for a change? Would you like to be the first IT Audit Manager in a small office of 9 auditors who understand the importance of teamwork and the need for an IT auditor? Apply at the website listed above.
