OPEN RECRUITMENT Open Until Filled

This is a **position specific recruitment** and is open to anyone who meets the minimum and selective qualification* listed below. The resulting list of eligibles will be used to fill this MDOT TSO position or function only. You will need to reapply for any future recruitment conducted for this job classification.

If you have ever taken a flight from BWI Thurgood Marshall Airport; renewed your Maryland driver's license; traveled to an Orioles game on the Light Rail; embarked on a cruise from the Port of Baltimore; received roadside assistance from CHART Emergency Patrol; reduced your commute time by using one of Maryland's toll roads; or applied for Minority Business Enterprise (MBE) certification, then you have experienced some of the superb services provided by the Maryland Department of Transportation (MDOT).

MDOT has various careers for people of all experiences, backgrounds, and abilities who come together to contribute to one mission—connecting our customers to life's opportunities. Join us in serving our Maryland residents, visitors, and businesses!

The Maryland Department of Transportation The Secretary's Office (MDOT TSO) is seeking an IT Finance Lead (Fiscal Services Administrator II). This position is within the IT Finance unit of the Office of Transportation Technology Services (OTTS) division and its essential function is to directly assist the manager of IT Finance in providing high-quality financial services for a budget that exceeds \$50 million. In addition to the OTTS office, this role must interact with all other Transportation Business Units (TBUs), their IT counterparts and MDOT TSO departments. As enterprising systems continue to grow, this role will also expand as a primary contact for managing and maintaining best practices for financial tracking and reporting. The responsibilities for this position include, but are not limited to the following:

- Preparing annual budget, financial analysis, forecast and financial reports that provide information about the results of operations and cash flows of OTTS to management in an accurate and timely manner.
- Regularly communicating essential information about the status of budget and expenditures of IT projects with the project stakeholders. This includes helping them to manage and develop spending plans and review spending rates and financial forecasting results.
- Planning, prioritizing, and focusing on assignments, utilizing knowledge of accounting and IT business operations to get a perspective on problems and to find solutions. This includes ensuring all transactions are recorded in financial spreadsheets and reflected in the Financial Management Information System (FMIS) accurately.
- Performing mid-month/month/year-end accounting closes that include: reviewing account payables, account receivables and fund transfers; performing accounts reconciliation and detailed variance analysis; and making journal entries and preparing financial reports in accordance with Generally Accepted Accounting Principles (GAAP) and MDOT accounting policy.

The current vacancy exists at MDOT TSO in Hanover, Maryland (Anne Arundel County). Telework opportunities are available for this position.

MDOT offers a generous and competitive benefits package.
