

### **Peter Morici**

Peter Morici is an economist and an emeritus professor of business at the Robert H. Smith School of Business, the University of Maryland and a national columnist. His views appear regularly in MarketWatch, published by Dow Jones, the Washington Times and other major newspapers throughout the United States and Canada, and on the website of Fox and others. He participates in the forecasting surveys at Reuters, Dow Jones and several other services, and his views are featured several times each week on the BBC, Fox and other major networks. He is a seven-time winner of the MarketWatch top forecaster award.

He is the author of 18 books, numerous scholarly articles and has published in the Harvard Business Review and Foreign Policy. He received his PhD in Economics from the State University of New York.
