# About Us

## An Invitation for Associate Partners

The Maryland Government Finance Officers Association (MDGFOA) was established in 1955 to promote the improvement of methods of governmental finance in Maryland, including mutually understandable procedures of accounting, budgeting, and financial reporting, and the use of common terminology, classification, and principles. MDGFOA provides an opportunity for mutual discussion and analysis of financial problems, the development of qualified public employees, and the achievement of closer relationships among those concerned with public finance to improve public service.

The Association's membership consists of state and local government finance officers (finance directors, accountants, budget directors, auditors, treasurers, etc.) from across the State of Maryland.

MDGFOA offers you the opportunity to gain maximum exposure to our members as an Associate Partner/Associate Member. You will have the opportunity to meet these key executives and core decision-makers who can influence the development and growth of the industry. You also will have the genuine opportunity to interact and form relationships with some of the industry's best. By becoming an Associate Partner, your company can be recognized as a 'front and center' supporter of the Maryland Government Finance Officers Association as well as the government finance sector.

Our current Associate Partners represent a diverse group of industries that are important to the government finance sector. Your company can become an Associate Partner and take advantage of the opportunity to exchange ideas, promote services and form lasting partnerships.

MDGFOA highlights our Associate Partners with benefits such as:

- Exhibit space at conferences
- Associate Memberships
- Partner Feature Page
- Submission of Educational webinars or content
- Online Directory access
- And more...

Following are our opportunities for becoming an Associate Partner, Event Sponsor, or Exhibitor to further your brand recognition, enhance your image, increase your visibility, network with clients and increase sales. Take time now to review the Associate Partner Program and select the level that best fits your company's needs.

Please remember that the funds raised by our Associate Partner, Event Sponsorship, and Exhibitors help MDGFOA produce the highest quality events, services, and activities. You can be a major part of this growth!

Thank you for considering becoming a part of the MDGFOA Associate Partner Program.
